

10 February, 2021 IINO Kaiun Kaisha, Ltd.

Hibiya Fort Tower / Green Bond and Green Loan Notice

IINO Kaiun Kaisha, Ltd. ("IINO") is to announce that IINO decided to issue "Green Bonds" (Unsecured Corporate Bonds No.2) within the Japanese domestic market with Mizuho Securities Co., Ltd as the principal secretary and Green Bond Structure Agent, and will arrange "Green Loan" from MUFG Bank, Ltd.. The bond will be issued in March, and the loan will be borrowed in August, 2021. Prior to this, IINO has obtained green bond evaluations and green loan evaluations from third party organizations (JCR : Japan Credit Rating Agency, Ltd.) regarding to the issuance of bonds and borrowings.

Green bonds are the bonds issued only for the project that have an environmental improvement effect on the use of the funds (green projects). Similarly Green Loans are the borrowings for only for environmental improvement effect. "Sustainability initiative" is one of the priority strengthening measures in IINO's mid-term management plan "Be Unique and Innovative. : The Next Stage – Towards 2030". The funds raised by the Green Bonds and the Green Loan will be used to construction fee for Hibiya Fort Tower. The building is under construction by "Shimbashi Tamuracho Project" in which IINO participates.

IINO will continue to tackle "sustainability initiative" for contributing to the creation of a sustainable society.
