IINO Kaiun Kaisha, Ltd.

### IINO Building / "Fire Safety Building Certificate"

IINO Kaiun Kaisha, Ltd. (IINO) is proud to announce IINO Building renewed and obtained "Fire Safety Building Certificate" (known as "Excellent(優) Mark") from Tokyo Fire Department(TFD) since 2018.

Fire Safety Building Certificate is given to excellent fireproof buildings with high fire safety, and TFD recognizes, by their inspection and audit, the buildings with a continuously high level of fire safety such as "continuously comply with fire laws and regulations" or "having a fire prevention efforts more than required by law". The certified building is approved to display "Excellent(優) Mark" which certifies the building is "excellent building" and that is published on TFD website.

For all workers, visitors and our employees in IINO Building and other own office buildings, IINO will keep safety and security including fire control, and disaster prevention among local communities,
