IINO Kaiun Kaisha, Ltd.

Announcement of Relocation of IINO UK LTD.

We are pleased to announce that IINO UK LTD., our subsidiary in the United Kingdom, will relocate their head office on July 19, 2021 as follows;

1 . Name:

IINO UK LTD. (Established in 2004. IINO's 100% subsidiary in the United Kingdom)

2 . New location:

6th floor, 125 Old Broad Street, London, EC2N 1AR, United Kingdom

(Previous address: Level 17 Dashwood House 69 Old Broad Street London EC2M 1QS, United Kingdom)

3 . Phone:

+44-(0)20-3968-5320

4 . Reasons for relocation:

- As part of efforts to “further promote global business” and “initiate sustainability,” which are priority strengthening measures defined in our mid-term management plan “Be Unique and Innovative. : The Next Stage - Towards 2030,” IINO is to put into service 2 Very Large Gas Carriers (VLGCs) from 2022 to 2023 for our European customers with environmentally-friendly liquefied petroleum gas (LPG) fueled engines, which will contribute to the reduction in green house gas (GHG) and sulphur oxides (SOx) emissions. This relocation is to meet the increasing number of expatriates in the office so as to reinforce a close relationship with sustainability-conscious European customers, to secure environmentally-friendly new businesses, and also to strengthen information gathering and marketing in environmentally advanced Europe.
- The new office building we selected has a high environmental performance, taking the low-carbon society and the time of COVID-19 into account.
