IINO Kaiun Kaisha, Ltd.

### **IINO joined TCFD Consortium**

IINO Kaiun Kaisha, Ltd. (IINO) today announced it has joined the TCFD Consortium, which consists of companies and financial institutions that support the recommendations of the Task Force on Climate-related Financial Disclosures (the "TCFD Recommendations").

TCFD Consortium was established as a forum to discuss to promote effective information disclosure based on TCFD recommendations by companies and to link such disclosure information to appropriate investment decisions by financial institutions and others.

IINO will effectively disclose information on the risks and opportunities posed by climate change to its business by utilizing the knowledge the Company has gained through information exchange with other companies and financial institutions that support the TCFD recommendations through our membership in TCFD Consortium.

Please refer to the following website for more information on our "Responding to Climate Change".
