**Notice of Establishment of Overseas Subsidiary  
in Dubai Multi Commodities Centre (DMCC) Free Zone**

IINO Kaiun Kaisha, Ltd. (IINO) has set up an overseas subsidiary, IINO LINES GULF DMCC, in Dubai Multi Commodities Centre (DMCC) Free Zone in the United Arab Emirates on 25 August, 2021, with the aim of strengthening response to the core customers for IINO's chemical shipping business in the Middle East, as well as developing new business and meeting European time zone differences.

In its mid-term management plan "Be Unique and Innovative.: The Next Stage - Toward 2030" disclosed in May 2020, IINO has set "further promotion of global business" as a priority strengthening measure. With the setup of the overseas subsidiary, IINO will further strengthen its organizational capabilities to support its global structure and further promote its global business development.
