

IINO KAIUN KAISHA, LTD.

**Beware of fraudulent emails pretending to be from our employees or vessels**

It has been confirmed that there were cases of spoofing emails pretending to be from our employees or vessels.

There is a risk of virus infection if the files or URLs attached to these emails are opened. If you receive any of these emails, please do not open any files or URLs attached and delete these emails from your email box.

We will continue to strengthen information security measures, such as preventing unauthorized access.
